Zustand: Gebraucht
Preis: € 11.000,00
Erstellt: 08.05.2023

Zusätzliche Informationen

Baujahr: 1978
Benzin: Benzin
Länge: 7 m
Breite: 2,5 m
Tiefgang: 1,10 m
Zusätzliche Informationen: Cometino 701 "Bohème", ready to sail
Sails new, standing and running gear new,

So no tinkering object but really a fine boat.

BJ 1978, 7m length, 1.10m draft, 2.50m wide, 1400 kg lt. shipyard, with Pütt and Pann

VB: 11.000,-€ ready to sail and ready to go, Outboard engine and trailer on request (not included).

Ready to go and without repair backlog. I have invested a good 3,000€ (2022 and 2023), so please do not compare with any Ebay tinkerers or osmosis wrecks.

Standing rigging new 2023

Running rigging new 2023

Mainsail new 2023 (unused)

135% genoa sail new 2022 on furling system, with UV protection and viewing window

both made of Coastal Cruising Performance Dacron

Symmetric spinnaker, old but almost never used and

therefore tiptop, in handy recovery tube

Storm jib never used

Genoa rail blocks Pfeifer new 2023

Traveller clamps new 2023

Genoa-Persenning new 2020

Main-Persenning new 2021

The old sails come with the boat as well

Compass new 2019

Echo sounder new 2019

Bow anchor with chain leader

Solar charge controller new 2019 and 15 WP panel

(not in use for 4 years, function would have to be checked)

Shore power 230V fused with FI switch installed by electrician 2019 and a total of 4 outlets in the boat and feed in the cockpit.

She sails quite fast and safe. Absolute beginner and family recommendation! The 400 kg fixed keel makes her unskippable in my experience.

VB: 11.000,-€ ready to go!

Optional for 3.000,-€:

New trailer from Vlemmix, year of construction

2019, approved up to 2.7 tons, breaks, 100 km/h

approval possible and super stable to drive.

Optional for 900,-€:

5 hp outboard Mercury 1FO2616KL, BJ 2017 but
used only one season 2019, with accessories.

All together in the package for 14.000€
